CONSUMER AFFAIRS & PUBLIC DISTRIBUTION
(CA&PD)

The Department of Consumer Affairs and Public Distribution in addition to tackle the problem of food storage or high prices, it also ensures equitable distribution of the available supplies on the reasonable prices so that the public of lower income group are able to purchase the required minimum quantities of food grains. The department has established a sound distribution system. It supplies through its depots and suppliers and also monitors the distribution of LPG and K.Oil. The Data regarding the number of food Godowns, sale depots, fair price shops, cooperative outlets, category wise rationed population and off take of ration and sugar is given in the next table.

CHAPTER-XI

ROADS AND BUILDINGS

Roads are considered as arteries of the economy. Lack of railway network and very limited scope for water transport leave the district with roads as the only means of connectivity and transport. The development of road network in the district is now therefore, receiving attention and priority in our developmental plans. In the district there are three PWD (R&B) Divisions & three divisions to implement the PMGSY flagship programme.

Category wise road length maintained by the Public works department is given in the tables in the next table.
